A kitchen countertop with a microwave, a coffee maker, and a juicer. The countertop is dark grey with a speckled pattern. The microwave is black with a digital display. The coffee maker is black and glass. The juicer is silver and black. The background is a dark wood wall.

VIVAX

Welcome to the world of VIVAX small household appliances – where functionality, modern technology, and attractive design come together in perfect harmony.

Our product range includes a wide selection of carefully designed appliances tailored to meet the needs of the modern family.

These include consumer electronics, air conditioners, large appliances, and small household devices.

More than just practical, VIVAX products stand out for their visual appeal and energy efficiency.

VIVAX – Works best with life!

VIVAX SMALL HOUSEHOLD APPLIANCES

VIVAX small household appliances bring practical solutions for everyday life – whether you're preparing a healthy breakfast or juice, a light lunch, a quick meal, or your favorite desserts.

Our range offers something for everyone: for those who enjoy spending time in the kitchen, as well as for those who want to prepare meals quickly and easily.

No matter your cooking style, VIVAX small household appliances turn everyday meal preparation into a simple and efficient experience.

FOOD PREPARATION

When it comes to speed, precision and comfort in the kitchen, small household appliances have become simply indispensable. With reliable VIVAX appliances such as blenders, kettles, mixers and baking devices, every idea becomes achievable!

VIVAX food and beverage preparation appliances offer the perfect combination of modern design, quality, and practicality. Whether you enjoy preparing more demanding dishes or are looking for quick solutions for everyday meals, VIVAX appliances adapt to your culinary habits.

HOUSEHOLD

VIVAX vacuum cleaners and irons are designed for efficient and easy home maintenance.

Powerful and quiet vacuum cleaners with advanced filters ensure impeccable cleanliness, while modern new-generation VIVAX irons provide efficient and simple ironing for all types of fabrics.

Clean air is not a luxury, but a necessity.

Our air purifiers use advanced filters to effectively remove allergens, pollen, dust, smoke, bacteria, and unpleasant odors, creating a fresher and safer environment in your home or office.

Material: Plastic / Ceramics

Dimensions - W x H x D: 31,3 x 14,4 x 13,7 cm

Device weight: 1,6 kg

Power supply: 220-240V AC

VIVAX iron IR-3000ASC with high power of 3000W and adjustable thermostat, removes wrinkles from clothes in an instant.

The water tank with a capacity of 320 ml and the steam control of 25-40 g/min, which the iron can emit even in a vertical position, are just some of the characteristics of this superb device. You no longer have to worry about whether the iron is left on! This iron has the "Auto-Shut Off" function, which automatically turns off the iron if left on a horizontal surface for 30 seconds, or in a vertical position after 8 minutes.

The anti-drip function keeps the fabric protected and the 100% active steam holes ensure maximum efficiency and coverage.

The device is protected against overheating, and the ceramic surface irons your laundry gently and efficiently.

With the VIVAX iron IR-3000ASC, ironing becomes a favorite task and the innovative design makes topping up water easier than ever.

2400W power

self clean

anti drip & calc

IR-2400CB

Steam iron

Water tank: Integrated into the housing

Power: 2400 W

Water tank volume: 0,38 l

Amount of steam: 15-30 g/min

Type of heating plate: Ceramics

Anti-drip function: Yes

Self-cleaning: Yes

Vertical steam ironing: Yes

Regulation of steam strength: Yes

Automatic shutdown: No

Front sprinkler: Yes

Material: Plastic / Ceramics

Dimensions - W x H x D: 32,7 x 16 x 12,8 cm

Device weight: 1,5 kg

Power supply: 220-240V AC
